DEWALT

CRISP CUTS & SMOOTH SANDING. NO SPACE TOO TOUGH.

DCS359N-XJ 18V XR LOW-VIBRATION OSCILLATING MULTI-TOOL

Cut, sand, and take on tough materials with the DEWALT DCS359 18V XR Low-Vibration Oscillating Multi-Tool. Its high-efficiency brushless motor can drive a top speed of 20,000 oscillations per minute, delivering extended runtime and outstanding performance for demanding applications. The variable-speed trigger with lock-on provides ultimate control and versatility, and a 4-mode speed lock can digitally cap the top speed* for additional application control. The compact, ergonomic body and PERFORM + PROTECT™ low-vibration design help maximise comfort and reduce user fatigue during extended use. The quick-change accessory system allows blades and attachments to be swapped tool-free, helping increase productivity on the job.
